Sir:

Information Disclosure Statement

The Applicant/Applicants of the above identified application hereby makes/make the following disclosure of information pursuant to 37 C.F.R. §1.97.

A list of all patents, publications, applications, or other information submitted for consideration by the Office is attached hereto on Form PTO/SB/08A and PTO/SB/08B. For each item listed thereon, enclosed herewith is a legible copy of (i) each foreign patent or published foreign or international patent application; (ii) each non-patent publication or that portion which caused it to be listed; (iii) for each cited pending U.S. application, the application specification including the claims, and any drawing of the application, or that portion of the application which caused it to be listed including any claims directed to that portion; and (iv) all other information or that portion which caused it to be listed.

To the extent required, a concise explanation of the relevance, as it is presently understood by the individual designated in 37 C.F.R. §1.56 most knowledgeable about the content of the information, of each patent, publication, or other information listed that is not in the English language is provided. For each such document listed that is not in the English language, a concise explanation, provided that such explanation has not heretofore been set forth in Applicant(s) specification, is set forth below. A copy of an English-language translation of any such non-English-language document is provided only if a written English-language

translation of a such document, or portion thereof, is within the possession, custody, or control of, or is readily available to any individual designated in 37 C.F.R. §1.56.

For each document listed on the attached Form PTO/SB/08A and PTO/SB/08B, consideration of this information disclosure statement by the Office is respectfully requested in that this statement is being filed before the mailing of a first Office action on the merits.

Respectfully submitted,

  
Anthony T. Cascio
